

PETER OCHE JONAH

Web Designer/Application Designer II

Phone +2349036404479, +2348025192879

E-mail jonahpeter86@gmail.com

To fully utilize my ability and expertise in such effective and efficient manner so as to contribute positively to the growth and productivity of any organization I find myself. Logical and results-driven Web Developer dedicated to building and optimizing user-focused websites for customers with various business objectives. Judicious and creative when crafting effective websites, apps and platforms to propel competitive advantage and revenue growth. Technically proficient and analytical problem solver with calm and focused demeanor.

Personal Information

State of Origin: Benue

Local Government: Oturkpo

Nationality: Nigeria

Sex: Male

Marital Status: Single

Contact Address: Flat B10, Staff Quarters, Lead City University, Ibadan

Educational Background

Expected in 2025-08 **Bachelor of Science: Software Engineering**

Lead City University - Ibadan, Oyo State, Nigeria

- Industrial Training, Lead City University, Completed 2024
- Completed Coursework: Software and Testing, 2024
- Completed University-level Coursework: Java, Lead City University

2021-07

Higher National Diploma (HND): Computer Engineering

The Polytechnic Ibadan - Ibadan, Oyo State, Nigeria

- Completed Coursework: Web Development, 2021
- Completed Coursework: Software development life cycle (SDLC), 2021
- Completed Coursework: Software Project Management, 2019
- Completed Coursework: Computer Software and Application, 2021
- Completed Coursework: Algorithms and problem-solving techniques, 2020
- Completed Coursework: Network architectures and protocols, 2019
- Completed Coursework: Basic data structures and algorithms, 2019
- Thesis Statement: Enhancing User Experience and Efficiency in Food Service Industry: Design and Implementation of a Scalable Online Food Ordering and Delivery Platform
- Exploring Practical Applications of the 555 Timer IC: Prototyping and Implementation of Electronics Projects on Breadboard Platforms

2017-10

National Diploma (ND): Computer Engineering

The Polytechnic Ibadan - Ibadan, Oyo State, Nigeria

- Construction of Microcontroller Based Battery charger using Seven Segment displays, 2017
- Completed Coursework: **Computer Networks**, 2017
- Completed Coursework: **Digital Signal Processing**, 2017
- Completed Coursework: **Computer Organization and Design**, 2017
- Completed Coursework: Circuit Theory, 2016

2022-03

Web Development And CSS

Alison - Galway, Ireland

2022-03

Certificate of HTML5

HTML5 Foundation - Mohali, India

2022-03

Computer Networking (Digital Network Security)

Alison - Galway, Ireland

2015-05

National Examination Council (NECO)

Ora Community High School - Ora, Ekiti

2009-07

First School Leaving Certificate

St. Stephen Anglican Primary School - Ora, Ekiti

Work Experience: With Dates

2021-08 - Current

Web Designer/Application Designer II

Lead City University, Ibadan, Oyo State, Nigeria

- Spearheaded production of page content such as visuals and text copy to meet project specifications.
- Assisted in the creation of high-performing landing pages that helped convert web visitors into leads and customers for clients' businesses.
- Coded websites using HTML, CSS, JavaScript, and jQuery languages.
- Planned website development, converting mockups into usable web presence with HTML, JavaScript, AJAX, and JSON coding.
- Optimized website performance with regular evaluations and adjustments to page load times, image optimization, and code efficiency.
- Kept software up to date and monitored website for security vulnerabilities to boost overall security.
- Designed highly engaging interactive user interfaces that complied with modern web standards.
- Developed technical solutions required to accommodate specific user-facing assets

2022-03 - 2023-03

ICT and Web Administrator (NYSC)

St Philip Academy , Ado-Ekiti, Ekiti State, Nigeria

- Demonstrated creativity and resourcefulness through the development of innovative solutions.
- Cultivated interpersonal skills by building positive relationships with others.
- Exercised leadership capabilities by successfully motivating and inspiring others.
- Managed time efficiently in order to complete all tasks within deadlines.
- Gained extensive knowledge in data entry, analysis and reporting.
- Applied effective time management techniques to meet tight deadlines.
- Identified issues, analyzed information and provided solutions to problems.
- Gained strong leadership skills by managing projects from start to finish.
- Participated in team projects, demonstrating an ability to work collaboratively and effectively.
- Used critical thinking to break down problems, evaluate solutions and make decisions.
- Passionate about learning and committed to continual improvement.
- Demonstrated leadership skills in managing projects from concept to completion.
- Resolved problems, improved operations and provided exceptional service.

2021-05 - 2021-08

Computer Hardware Engineer

Lead City University, Ibadan, Oyo State, Nigeria

- Contributed to the development of innovative products by researching emerging technologies and making recommendations for their incorporation into future designs.
- Completed troubleshooting for Windows, MacOS and Linux-based desktops and laptops.
- Set up and maintain hardware and software test infrastructure.
- Worked closely with documentation team to provide technical details and participate in review cycles.
- Ensured optimal performance of computer systems by conducting regular maintenance checks and updating hardware as needed.
- Achieved cost savings through strategic sourcing initiatives while maintaining stringent quality control measures for procuring electronic components.
- Advised installation technicians on wiring and workstation layout during construction of new call center facility.
- Worked effectively in fast-paced environments.

Software Developer

Plagast Limited, Derby, England, United Kingdom (Remote)

- .Created comprehensive documentation detailing software functionality for future reference or maintenance purposes.
- Saved time and resources by identifying and fixing bugs before product deployment.
- .Boosted customer satisfaction rates through timely resolution of reported technical issues during the support phase of projects.
- Contributed to a positive team environment through effective communication, problem-solving, and collaboration skills.
- .Reduced project costs through efficient resource allocation and budget

management practices during the development process.

- Analyzed work to generate logic for new systems, procedures and tests.
- Developed next generation integration platform for internal applications.
- Tested functional compliance of company products.
- Designed reusable and reliable code for use within distributed cloud environments.
- Documented technical workflows and knowledge to educate newly hired employees.

2019-04 - 2019-11

ICT Classroom Teacher

JOSABIG Group Of School, Ibadan Oyo State, Ibadan, Oyo State, Nigeria

- Lead City University Ibadan, Oyo-State
- (IT).
- Managed and maintained computer systems, equipment and mobile devices by troubleshooting hardware and software issues, cleaning out keyboards and wiping down computer surfaces.
- Invigilated and graded projects, quizzes and examinations.
- Implemented projects to enhance computer science subject matter and help students grasp concepts.
- Arranged and scheduled guest lecturers to enrich classroom learning.
- Attended professional development technology courses to increase knowledge base and learn new information.
- Communicated with students to discuss progress and need for tutoring and extra assistance.
- Improved students' critical thinking skills by designing project-based learning experiences and real-world problem-solving tasks.
- Developed differentiated instruction approaches to accommodate diverse learning styles, ensuring all students received personalized support tailored to their needs.

2017-11 - 2018-11

Industrial Training IT Student

Lead City University, Ibadan, Oyo State, Nigeria

- Collaborated with other departments to facilitate successful project completion.
- Organized workshops and hands-on demonstrations for students to gain real-world experience with IT tools and processes.
- Reviewed system and network performance to make proactive adjustments based on established IT policies.
- Performed complex calculations to analyze and optimize engineering processes.
- Demonstrated respect, friendliness and willingness to help wherever needed.
- Resolved problems, improved operations and provided exceptional service.
- Worked effectively in fast-paced environments.
- Completed paperwork, recognizing discrepancies and promptly addressing for resolution.
- Cultivated interpersonal skills by building positive relationships with others.
- Organized and detail-oriented with a strong work ethic.

Student Industrial Training

Absec Engineering Ltd, Lagos, Nigeria

- Department of Computer Engineering, Abisec Company Badagry Lagos State (SIWES).

Web Developer

MSCICLINIC ACADEMY, Lagos, Nigeria (Remote)

- Performed unit testing of web applications and troubleshoot issues.
- Collected, defined and translated user requirements into project designs and implementation plans.
- Proven ability to learn quickly and adapt to new situations.
- Employed coding practices based on commonly accepted standards to establish site layout and user interface.
- Used critical thinking to break down problems, evaluate solutions and make decisions.
- Worked well in a team setting, providing support and guidance.

Professional Bodies

- Member, Federation of Odo-Ora student union (FOSU)
- Member, Google Africa Developer (GAD)
- Member, National Association of Computer Engineering Students (NAMCOMES)
- Member, National Association of Engineering Students (NAES)

Written Books

- A project works on in Construction of Microcontroller Based battery charger using seven segment displays.
- A project work on Online Food Ordering System Development.
- A project work on Payroll System.
- A project works on in FETH Cooperative System Management.

Administrative Experience

- Admin Assistance at Registrar Office Lead City University
- Head Usher, The Apostolic student fellowship of Nigeria, TPI/PIB
- Assistance general Secretary, Joint fellowship, TPI/PIB
- Senior prefect boy, Ora community High School
- Assistance Head boy, St. Stephen Anglican primary School

Extracurricular Activities

Reading Meditating Travelling Sorting the Internet Sport Coding

Skills

Time management abilities

Computer Programming

Multimedia Presentations

Student Evaluation

Decision-Making

Problem-solving abilities

Professionalism

Video Conferencing

Mobile Learning

Online Teaching

Lesson Plan Development
